

2022 CHEROKEE

Jeep®

2022 JEEP® CHEROKEE

Jeep® Cherokee arrives with its legacy of authentic style and capability brightly shining. This renowned SUV is powered by a selection of three proven Jeep engines with your choice of two optional Jeep® Brand 4x4 systems.

REFINED **CAPABILITY** FOR
EVERY ROAD AHEAD

POWERFUL FUN WHENEVER YOU'RE READY

Tow hooks not available in all markets.

JEEP CHEROKEE 4x4 SYSTEMS

Every Jeep® Active Drive Four-Wheel-Drive (4WD) System features a unique disconnecting rear axle that adds efficiency to its exceptional capability. You'll experience a seamless transition in and out of 4WD, at any speed, adding welcome economies to a masterful, all-weather performance. No matter which Active Drive System you prefer, you'll enjoy authentic Jeep® Brand freedom that is purpose-built to keep you moving over snow, mud, ice, rain and sand.

JEEP ACTIVE DRIVE I

A fully automatic system that delivers seamless operation in and out of 4WD at any speed. Jeep Active Drive I also includes brake traction control that works to maintain a balanced torque distribution, helping this system deliver an easy-to-use, all-weather boost in capability. Available on Limited.

TRAIL RATED® JEEP ACTIVE DRIVE II

A two-speed Power Transfer Unit (PTU) offers torque management and 4WD Low mode. This locks the front and rear driveshafts to deliver additional power at low speeds or for towing your toys. A driveline neutral switch enables you to hitch Jeep Cherokee to your RV and take it along. Additionally, off-roading benefits from a ratio of 48:1 when paired with the available 3.2 Pentastar® V6 engine, allowing Jeep Cherokee to climb steep hills and crawl over boulders with ease.

Every Trail Rated® vehicle must successfully pass tests in five performance categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording.^{1*} Standard on Trailhawk®. With its Trail Rated status, Jeep Cherokee Trailhawk is primed to tackle the most challenging road conditions out there, and you're poised to face the road ahead with confidence.

*A note about this brochure: all disclosures can be found on the last page.
Tow hooks not available in all markets.

Every Jeep® Cherokee equipped with available 4x4 capability arrives with a Jeep Selec-Terrain® Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. This system pairs with your Jeep® Brand 4x4 systems to help adapt traction performance. Select your desired mode of traction control for help mastering challenging conditions during on- or off-road travels.

AUTO In this mode, Selec-Terrain does the work, automatically adjusting vehicle dynamics to best suit the road.

SNOW Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer.

SPORT Select this mode and you're automatically tuned to handle a more aggressive driving style.

SAND / MUD Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios.

ROCK Trail Rated® locking rear differentials allow you to crawl over rugged terrain at appropriately safe speeds. Exclusive to Trailhawk®.

THERE'S MORE TO **JEEP® BRAND** POWERTRAINS

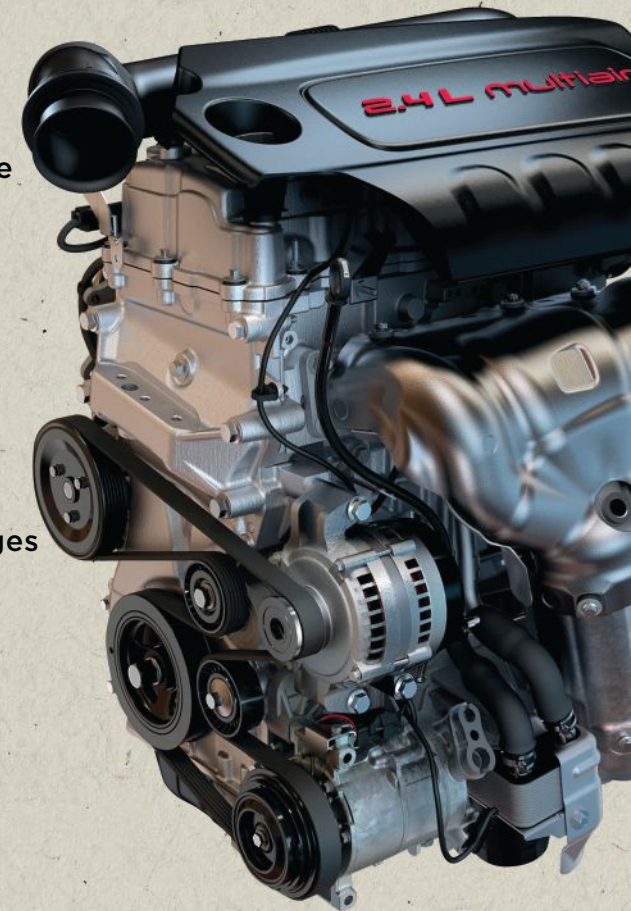

3.2 PENTASTAR® V6 ENGINE WITH ENGINE STOP/START (ESS) TECHNOLOGY This workhorse is designed to deliver the kind of power needed to support all-weather travel over any terrain. Demanding drivers will appreciate its 200 kW and 324 N•m of torque — enough to reach a towing power of up to 2041 kg when properly equipped. Standard on Trailhawk® models.

**200 kW
324 N•m
OF TORQUE**

SELEC-SPEED® CONTROL A helpful feature that allows Trailhawk to maintain a target speed of 1 to 8 kph while driving over obstacles, letting you focus on steering and safely navigating the road ahead. Standard on Trailhawk.

2.4 TIGERSHARK® MULTIAIR® 2 I-4 ENGINE WITH ESS The Tigershark® engine takes efficiency seriously while simultaneously delivering a quiet and refined ride. Plus, for aggressive off-road destinations, it takes its 130 kW and 232 N•m of torque and conquers challenges with ease. Standard on Limited models.

**130 kW
232 N•m
OF TORQUE**

INDEPENDENT SUSPENSION SYSTEM Designed to be smooth and quiet on-road, tough and nimble off-road. Utilizes high-strength steel and aluminum and MacPherson struts — renowned for their strength and stability. Standard.

9-SPEED **AUTOMATIC** TRANSMISSION

From its quick launch to its smooth highway travel, you'll notice your ride remains calm and smooth. This confident performance occurs when each shift responds at the right time for each of the nine gearshifts. Thus, you experience a unique level of luxury. A distinctive set of four overdrive ratios helps gain efficiencies while reducing overall noise and vibration. Economies are maximized, and performance is optimal at all times. You're finely attuned to nearly any driving demand, both on- and off-road.

LET **INSPIRATION** GUIDE YOU

REFRESH **THE SENSES** WITH FRESH AIR

The CommandView® Dual-Pane Panoramic Power Sunroof, with its power sunshade, is more than an amazing way of looking at the world — it can take you to a new world of open-air freedom altogether.

See more of the world in comfort with technology that informs and entertains while you breathe a little easier knowing an all-new Jeep® Air Filtration System is working behind the scenes to filter 95 percent of air particulates. Welcome to the authentic style and capability of Jeep Cherokee.

Available, premium leather-trimmed, heated seats and a premium-wrapped, heated steering wheel offer comfort in colder weather. Information seekers will enjoy seeing the big picture with available, premium tech features, including the Uconnect® 4 system.

ELEVATE YOUR **VANTAGE POINT**

- 8.4-inch radio with navigation
- Apple CarPlay®² support
- Android Auto™³ compatibility

A high-angle, black and white photograph of the interior of a Jeep Cherokee Limited. The image shows the front and rear seats, which are upholstered in black leather with perforated sections. The dashboard, steering wheel, and center console are visible. The steering wheel features a 7-inch multi-view display cluster. The center console has a gear shifter and handbrake. The rear seat is folded down, revealing a carpeted cargo area. The overall design is modern and functional.

TOUR **THE WORLD** IN COMFORT

Jeep® Cherokee Limited passengers will relish the comforts and conveniences of smart design and technology, right at hand. The 8.4-inch NAV radio adds navigation that can pair with Amazon Alexa technology. Rear-seat passengers will enjoy fore-/aft-adjustable seats, while front-seat occupants enjoy additional heating comfort. A carpeted cargo area and a hands-free power liftgate complete the look.

- 7-inch Multi-View Display cluster controls on the steering wheel

- Fore-/aft-adjustable seats

- Leather-trimmed seats

Properly secure all cargo.

A FULL RANGE OF ARRANGEMENTS

You can bring it all along for the ride. Chances are, when you're out there living on the go, you've got lots of gear in tow.

With up to 1387 liters of storage while the rear seats are folded down, Jeep® Cherokee's roomy cargo area helps you stay organized when you're staying busy.

Tow hooks not available in all markets.

FOOTWORK THAT WORKS

When your hands are full of heavy groceries or suitcases, the hands-free power liftgate answers the call. With a swipe of your foot under the rear bumper, your liftgate opens. Just load everything on board and you're ready to go. Available.

PLENTY OF LIVING ROOM

Configurable 60/40 split-folding rear seats give you plenty of options. Rear passengers can recline up to 6 degrees or move seats fore and aft for the perfect amount of leg room. Flip down one or both of the split seats to accommodate people along with their gear of choice. Available.

The available configurable 7-inch Multi-View Display cluster controls on the steering wheel can instantly scroll you through a selection of vehicle data displayed within your instrument panel on an available 7-inch color screen. Multi-View Display data includes:

Vehicle Alerts — You'll receive visual notification for safety systems.

Fuel Consumption — View real-time data regarding efficiencies and when it's time to refuel.

Navigation — Turn-by-turn directions are displayed front and center for safe viewing.

Vehicle Info — Real-time data shows your vehicle's performance vitals, including engine temperature and fluid levels.

PHONE/TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,⁴ select media stations and access navigation. Includes Apple CarPlay^{®2} support and Android Auto^{™3} compatibility. Standard.

A LOT TO CONNECT WITH

The Uconnect[®] system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen. You're always connected with Uconnect, whether in your vehicle or via the Jeep[®] App⁵ on your device, which allows you to lock and unlock your vehicle remotely.

8.4-INCH TOUCHSCREEN DISPLAY

Inside this plush cabin, the Uconnect 4 NAV radio features a large 8.4-inch full-color touchscreen, Apple CarPlay² support and Android Auto³ compatibility.

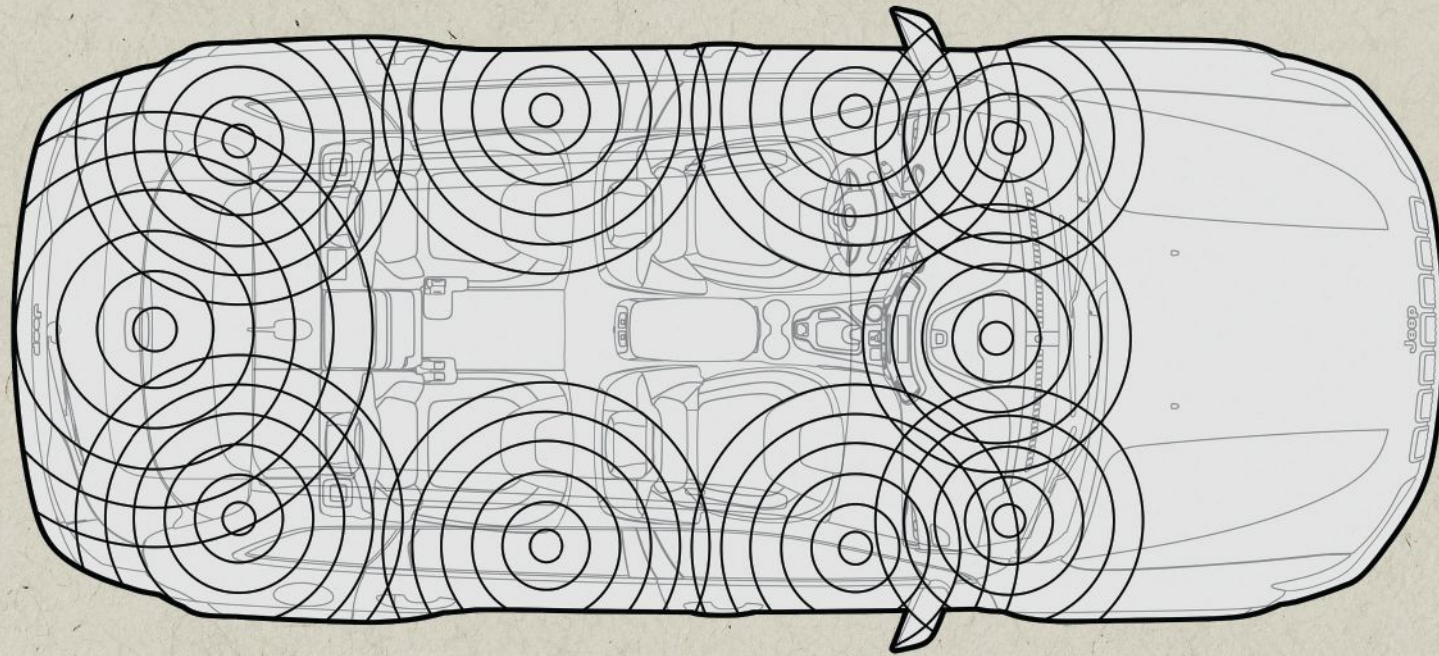

DRAG-AND-DROP MENU BAR

Customize the appearance of your Uconnect screen by dragging apps and controls to a position that suits you best. When you pair your smartphone with Uconnect, your smartphone's home screen will appear on your Uconnect screen with full touchscreen functionality.

U.S. Uconnect[®] screens shown.

AUDIO **ACHIEVEMENT**

NINE SPEAKERS AND AN 11-CHANNEL,
506-WATT AMPLIFIER

The Nine-Speaker Alpine® Premium Sound System is known for its outstanding tonal balance and definition. This system helps create a haven of audio enjoyment, delivering an impressive, realistic sound experience. It features an 11-channel, 506-watt amplifier, nine perfectly placed speakers and an 8-inch subwoofer that work together in optimal harmony.

SURROUND **YOURSELF WITH**
PRO-QUALITY SOUND

ACTIVE MEASURES

Sensors surround you to keep you informed and alerted to potential hazards.

PARALLEL AND PERPENDICULAR PARK AND UNPARK ASSIST⁶ This active guidance system controls steering automatically. You can take your hands off the steering wheel and let the system's ultrasonic sensors help you ease into a parking spot as you gently brake and change from Reverse to Drive as needed. Includes ParkSense[®] Rear Park Assist⁶ sensors. Standard.

PARKVIEW[®] REAR BACK-UP CAMERA⁷ When the vehicle is in Reverse, previously hidden objects are revealed on your Uconnect[®] screen so you have time to react. Standard.

PARKSENSE[®] REAR PARK ASSIST SYSTEM⁶ Rear ultrasonic sensors determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display provide notification of rear-object proximity and an audible warning is given. Standard.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING⁸ Sensors detect when Jeep[®] Cherokee may be approaching another vehicle too rapidly. An audible and visual alert is provided, along with 1.5 seconds of brake assistance if the driver does not react in time. Standard.

LANESENSE[®] LANE DEPARTURE WARNING WITH LANE KEEP ASSIST⁸ Tactile, visual and audible warnings are given should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel. Standard.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO (ACC STOP)⁹ Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Jeep Cherokee to a complete stop without driver intervention to help avoid a collision. Standard.

BLIND SPOT MONITORING (BSM)¹⁰ AND REAR CROSS-PATH DETECTION⁷ SYSTEMS These systems monitor the space between you and other vehicles. When a side or rear blind spot is encroached, you're notified via illuminated icons on sideview mirrors or an audible chime. Standard.

ALL-AROUND SOLID SYSTEMS

There's so much more to help keep you safe and secure in Jeep® Cherokee.

LED HEADLIGHTS See more of the road ahead in the darkness of night. LED headlamps shine 57 percent brighter than traditional lamps. Standard.

RAIN BRAKE SUPPORT Wet pavement can prove challenging to safe travel. This system automatically helps maintain optimal braking by keeping brake rotors dry in rainy conditions. Standard.

TRAILER SWAY CONTROL (TSC)¹¹ Crosswinds and traffic hold no sway over you and your payload. This control system helps keep you and the toys you tow safely on course. Standard.

SENTRY KEY® ENGINE IMMOBILIZER A unique, embedded key code matched only to your vehicle helps keep your Jeep® Cherokee safely where you parked it. Standard.

SIDE-DISTANCE WARNING Parking in tight spaces can be tricky. Helps maneuver in tight spaces by providing an audible and visual alert when an obstacle is detected alongside your vehicle. Standard.

UNPARK ASSIST⁶ Controls the vehicle's steering while providing the driver with gear and braking instructions to help navigate. Standard.

CURFEW ALERT Whenever your car is being driven outside of the curfew time you set, an alert on your smartphone will instantly let you know. Available.

SPEED ALERT Receive a notification on your smartphone whenever your vehicle exceeds a preset speed limit. Available.

VALET ALERT You're alerted if your valet-parked vehicle is driven more than 0.40 kilometers from a drop-off zone. Available.

STANDARD AIR BAGS¹² Full-length side-curtain driver and front-passenger inflatable knee bolster air bags,¹² side-thorax air bags¹² and advanced multistage front air bags¹² all work together to help provide robust protection. Standard.
